DISPOSABLE WEAR

BOOT CLEANER

This boot cleaner is equipped with 5 brushes, allowing you to clean your boots quickly and effectively. The vacuum system pulls the cleaning/disinfecting liquid from the container into the brushes. You simply must close with your finger the vacuum opening to start the process. Optimal hygiene is an important part of the modern farm and this boot cleaner is very helpful in reaching this goal.

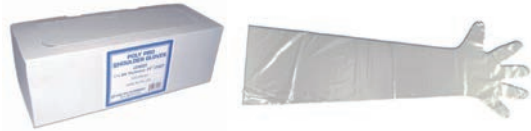

| PART # | DESCRIPTION | PRICE |
|----------|-----------------------|----------|
| 111-1032 | BOOT CLEANING MACHINE | \$136.00 |
